Chapter Zero Switzerland, engageability and the Global Compact Network Switzerland & Liechtenstein in collaboration with ESG Competent Boards and the Swiss Board School are organizing a board training. It is designed by and for board members to embrace a future-fit mindset, address key sustainability issues and think ahead. The training consists of 10 modules organized in 5 x 3-hour sessions.

In preparation, participants will get access to the online ESG Competent Boards Certificate Program with reading lists, videos, and a set of industry cases to help create value, enhance resiliency, and establish good governance.

Board members interested in joining the training, can register [here](#):
